PREVIEW

Conference USA begins its 24th year in 2018-19 as it continues to compete and promote the success of its student-athletes. The league has adapted to the ever-changing landscape of collegiate athletics over nearly a quarter of a century, but the commitment to excellence, integrity, leadership and its student-athletes in competition, academics and community is unwavering.

Conference USA enjoys a far-reaching fan base with its 14 members: Charlotte, FIU, Florida Atlantic, Louisiana Tech, Marshall, Middle Tennessee, North Texas, Old Dominion, Rice, Southern Miss, UAB, UTEP, UTSA and WKU.

Debuting in 1995, Conference USA teams have combined for 109 bowl appearances in football, 108 NCAA Tournament appearances in basketball, including three Final Fours, 71 NCAA baseball appearances including six College World Series berths, 93 NCAA soccer tournament appearances including four trips to the College Cup, and 39 individual national champions in track and field and cross country.

Success is not limited to athletic achievement, however, as 231 Conference USA student-athletes have garnered Academic All-America honors, 775 have achieved academic all-district laurels and thousands of student-athletes have earned a college degree.

Conference USA sponsors competition in 19 sports – nine for men (baseball, basketball, cross country, football, golf, soccer, tennis, and indoor and outdoor track and field) and 10 for women (basketball, cross country, golf, soccer, softball, swimming and diving, tennis, indoor and outdoor track and field, and volleyball).

The league promotes the scholar-athlete ideal, honoring outstanding academic achievement with numerous conference-sponsored awards, including the Commissioner's Honor Roll and the Commissioner's Academic Medal as well as sport-specific All-Academic teams.

C-USA annually awards postgraduate scholarships, along with the Sport Academic Awards, Scholar-Athletes of the Year and the Institutional Academic Excellence Award. Additionally, Conference USA presents a Spirit of Service Award three times each year, recognizing student-athletes who excel on the field, in the classroom and give back to the community through significant service efforts and participation.

SUCCESS OFF THE FIELD

C-USA institutions are among the nation's best in academic performance of student-athletes, bolstered by the fact that student-athletes at league schools have a higher graduation rate than the general student population. Among C-USA's 5,000 student-athletes, there are champions of the playing field as well. In 22 years, more than 33,000 student-athletes have been named to the Commissioner's Honor Roll or received the Commissioner's Academic Medal, indicative of outstanding achievement in the classroom.

C-USA ON TV

C-USA enjoys significant television exposure through partnerships with CBS Sports Network, Stadium, beIN SPORTS and ESPN. The multi-tiered selection process that is rooted in partnering with all four networks provides extensive national exposure for football, men's and women's basketball, and all other conference sports.

C-USA membership include institutions within eight of the Top 40 media markets and four in the Top 25 according to Nielsen. C-USA home markets this year will include more than 13 million TV households, a 30 percent increase from four years ago.

CUSA TV

CUSA.TV officially launched in the Summer of 2016 making all non-televised team sports available as part of a subscription package. The site offers all events in one location so fans can watch home and away matchups of their favorite team or season long events from their favorite sport. The site showcases weekly feature stories as well as postgame interviews, players of the week highlights and other exciting content.

C-USA IN THE COMMUNITY

The conference's current footprint is concentrated with 14 members in 10 states and a combined area population of more than 30 million. With a commitment to community involvement, the conference developed several initiatives to maintain strong ties in C-USA cities, as well as with fans and alumni across the country. C-USA schools also place a priority on giving back to their communities through volunteer service with local and national organizations. Individually, student-athletes are recognized each season through the Spirit of Service award.

GOVERNANCE

Conference USA has significant representation in the NCAA governance structure. The presidents of the member institutions serve as the league's Board of Directors.

A PROUD HISTORY

Conference USA was formed in 1995 and quickly emerged as one of the nation's top conferences. The conference unveiled its name, logo and commissioner April 24, 1995, in Chicago. The league's charter members were Charlotte, Cincinnati, DePaul, Houston, Louisville, Marquette, Memphis, Saint Louis, Southern Miss, Tulane, UAB and USF. Eleven of the institutions began athletic participation in 1995, while Houston joined competition in the fall of 1996.

The league's headquarters were established in Chicago and, after nine years, relocated to the current office in Irving, Texas. Britton Banowsky was named Commissioner in October 2002, succeeding Mike Slive, the league's first Commissioner. In October 2015, Judy MacLeod became the league's third Commissioner.

C-USA added East Carolina (September, 1996) and the United States Military Academy (March, 1997) as football members. ECU began league competition in 1997; Army in 1998 and UAB began football play in 1999. The league brought in TCU and ECU (1999) for all sports and they began competition in 2001. USF started C-USA football in 2003. Marshall, Rice, SMU, Tulsa, UCF and UTEP became full-time Conference USA members for all sports in 2005.

In 2013, charter member Charlotte returned to C-USA and was joined by new members FIU, Florida Atlantic, Louisiana Tech, Middle Tennessee, North Texas, Old Dominion and UTSA. WKU joined the league on July 1, 2014.

2018 SCHEDULE BREAKDOWN

The 2018 UTEP Volleyball schedule features nine home matches, including seven in the Sun City against Conference USA opponents. The Miners will also host the 2017 Conference USA post-season champion WKU. Before conference play begins, the team will be traveling to places from the bayou of New Orleans to the beaches of San Diego. UTEP will be three weeks into the season before it sees its first home action under the lights of historic Memorial Gym.

The Miners will begin the season in the Big Easy (New Orleans, La.) to compete in the Tulane Volleyball I-10 Challenge from Aug. 24-25. In that two-day span they will play three matches, including one against the host school Tulane. Next the team will hit the road to Omaha, Neb., where it will play in the Omaha Challenge. While in Omaha, the Miners will play two matches on Aug. 31 against UIC and UMKC. The month of September will open against Omaha on its home court to finish of their stay in the Midwest. On Sept. 7 the Miners will co-host the Borderland Invitational with NM State. UTEP will play the Arizona Wildcats at the Pan American Center to begin its weekend of play. UTEP will open at home versus Montana and I-10 rival NM State to close out the invitational. The Miners will be West Coast bound the following week when they head to San Diego, Calif., to participate in the SDSU/USD Challenge, playing two against the Oregon State and San Diego State. Following the match versus the Aztecs there will be a quick trip to Riverside, Calif., to play California Baptist rounding out pre-conference play. The Miner C-USA schedule will prove to be a battle every night. Six teams are coming off of seasons with winning records, and WKU represented the conference in the NCAA Volleyball Championship tournament in 2017.

ACADEMIC CULTURE

UTEP head coach Holly Watts's hard work on the court and in the classroom culture that she has instilled in her team yielded 12 Conference USA Commissioner's Academic Honor Roll recipients. These students maintained a cumulative GPA of 3.0 or better last season. Among these honor roll students **Macey Austin** and **Cheyenne Jones** were also honored with securing Conference USA Commissioner's Academic Medals for maintaining a GPA of 3.75 or better. Due to the team's stellar academic performance in the classroom they were honored as a recipient of the AVCA team academic award.

HOME SWEET HOME

UTEP recorded all six of its victories in Memorial Gym during 2017. The home crowd atmosphere boosted the Miner team to some of their best performances of the campaign, including an upset win over Rice (9/22) in a five set thriller where then-sophomore **Macey Austin** had a career-high 27 kills.

NEW FACES

The Miners add eight new faces to the UTEP family this season. These new Miners come from a variety of different parts of the world from junior transfer **Erika Sianez** (El Paso native) to **Martine Kragholm** (Kristiansand, Norway). Freshmen **Kenidy Howard**, **Alex Torres** and **Serena Patterson** are all from the lone star state for their college careers. **Briana Bustillos** brings in college playing experience as a junior transfer from the New Mexico Military Institute. Two new setters round out the roster for the Miners. The first being **Hayley Meshay** from Phoenix, Ariz. and **Kristen Fritsche** from Torrance, Calif.

AUSTIN ON TOP

Junior outside hitter **Macey Austin** found a way to improve in almost every single statistical category during her sophomore campaign. She accumulated career highs in kills (359), total attempts (876), kills per set (3.65) and points (379.0). Austin's on the court success garnered her an All-Conference USA second-team selection. She also finished ranked ninth in conference for kills last season. The league announced near the beginning of the 2018 campaign that Austin was named to the 2018 C-USA Women's Volleyball Preseason Team.

SERVING THE COMMUNITY

Macey Austin's excellence is not limited only to the court. For the second straight year Austin received the Conference USA Commissioner's Academic Medal for maintaining a GPA of above a 3.75. Austin has proven to be an incredible example of an all-around student-athlete, earning the C-USA Spirit of Service award where she totaled 21.75 hours of community service. She contributed time with the Housing Authority of the City of El Paso, UTEP Volleyball Camp and the Game Change Volleyball Camps.

BAUMGARTNER MAKING HER MARK

Kylie Baumgartner, is looking to place her name in the UTEP record books by the end of her final season. Baumgartner's ranks seventh all-time in total block assists (274). She needs 15 block assists to surpass former teammate Lindsey Larson for sixth all-time. Baumgartner is also poised to pass some major milestones in career total blocks. She also only needs eight total blocks to rate seventh all-time. She is on pace to become only the second player in Miner history to have 300+ block assists and 400+ total blocks in a career.

INTERNATIONAL MINERS

Senior **Ashley Grzebeniak** and junior **Niki Cebak** represent the great nation of Canada and have been the two international players on the Miner roster over the past years. They are now joined by another international player **Martine Kragholm** of Kristiansand, Norway. The 5,169 miles is a long way from home for the talented middle blocker, but Grzebeniak and Cebak will surely show her the ropes to help acclimate her to life in the Sun City.

Entering her sixth season at UTEP, Holly Watts boasts 23 years of Division I coaching experience, including lengthy stints at Arkansas (1996-2008) and Florida State (2008-13), where she worked with head coach Chris Poole. Together Poole and Watts were instrumental in producing thirteen 20-win seasons in 17 years, with 13 NCAA Tournament appearances during that span. She was named UTEP's head volleyball coach on July 5, 2013.

In the 2017 campaign the Miners earned an impressive 3.52 GPA as a team. There were 12 members of the Miner squad on the C-USA Commissioner's Academic Honor Roll, including two C-USA Commissioner's Academic Medal winners who achieved a cumulative GPA of 3.75 or better.

Watts's team posted 11.2 kills per set, 10.3 as-

sists per set, 1.2 aces per set, with 12.4 digs per set and 1.8 blocks per set.

Watts coached sophomore standout Macey Austin. As the premier outside hitter for the Miners, she led the team with 359 kills (3.45 k/s). That effort was in the top-10 for Conference USA, Austin totaled four 20 plus kill games, and a career-high 27 kills in an incredible five set victory over Rice.

Austin earned a Conference USA second-team selection due to her stellar offensive play in conference. She also accumulated a 3.91 GPA in the classroom, which gave her the very prestigious C-USA Commissioner's Academic Medal for maintaining a 3.75 GPA or higher for the second year in a row additionally, she made the C-USA Commissioner's Academic Honor Roll.

In 2016, Watts guided the young Miners during a season of growth. The team averaged 11.2 kills per set, 10.4 assists per set, 15.5 digs per set and 2.0 blocks per set in the 2016 campaign while notching itself a spot in the Conference USA Tournament.

In C-USA matches, Larson was first on the team in assists (642) and service aces (24), and ranked second on the squad in kills (222), digs (321) and total blocks (90).

T HEAD COACH - WATTS

Putting on emphasis on academics as

TEXAS TECH '11

SECOND SEASON AT UTEP

Barbara Cibeles Nascimento Conceicao enters her second season as a graduate assistant coach for the UTEP volleyball team. Conceicao will assume multiple administrative responsibilities including team travel arrangements and video exchanges.

A native of Rio de Janeiro, Brazil, Conceicao has played both collegiately and professionally and brings more than three years of coaching experience at the college level and club teams as well as camps and clinics.

As a dual sport athlete for Iowa Western CC in volleyball and track (high jump), Conceicao received multiple awards including NJCAA Division I Women's first team All-American and American Volleyball Coaches Association's. Her efforts for IWCC earned her a volleyball scholarship to Texas Tech, where she competed from 2009-2010.

Conceicao moved on to become an assistant volleyball coach at Western Texas College from 2012-2013, where she designed strength programs for volleyball athletes and assisted the head coach with all aspects of the volleyball program.

Most recently, she served as the graduate assistant for both the indoor and beach volleyball programs at Jacksonville State University. At JSU, she worked with the front row hitters and blockers to improve form and technique. Conceicao also assisted with team planning and travel arrangements.

She graduated from Texas Tech in 2011 with a Bachelor's of Science in Human Development and Family Studies and received her Master's in Sports Management at Jacksonville State University in April of 2017.

UNIVERSITY

The University of Texas at El Paso has redefined public higher education not only in Texas, but also across the nation. As the University begins its second century of service to the people of the Paso del Norte region, it reaffirms its commitment to a mission of access and excellence.

Consistent with the University's mission, UTEP has kept tuition and fees affordable without sacrificing the quality of education and service provided to students. With a total research portfolio of more than \$315 million in competitive grant funding, UTEP is a Hispanic-serving institution conducting vital research and implementing high-impact practices for students in and out of the classroom, including first-year research opportunities, relevant employment and practical experience, while maintaining an out-of-pocket cost among the lowest of any national research university in the country.

Since opening its doors as the State School of Mines and Metallurgy in 1914, the University's enrollment has grown from 27 mining students to nearly 24,000 undergraduate and graduate students. UTEP's geographic location along the U.S.-Mexico border has enabled generations of students to pursue their goals through higher education in one of the largest binational communities in the world, making UTEP a national research university serving a 21st century student demographic.

T PRESIDENT - DR. DIANA NATALICIO

Diana Natalicio was named president of UTEP in 1988. During her long and distinguished career with the University, Dr. Natalicio has also served as vice president for academic affairs, dean of liberal arts, chair of the modern languages department and professor of linguistics. Her sustained commitment to provide all residents of the Paso del Norte region access to outstanding higher education opportunities has helped make UTEP a national success story.

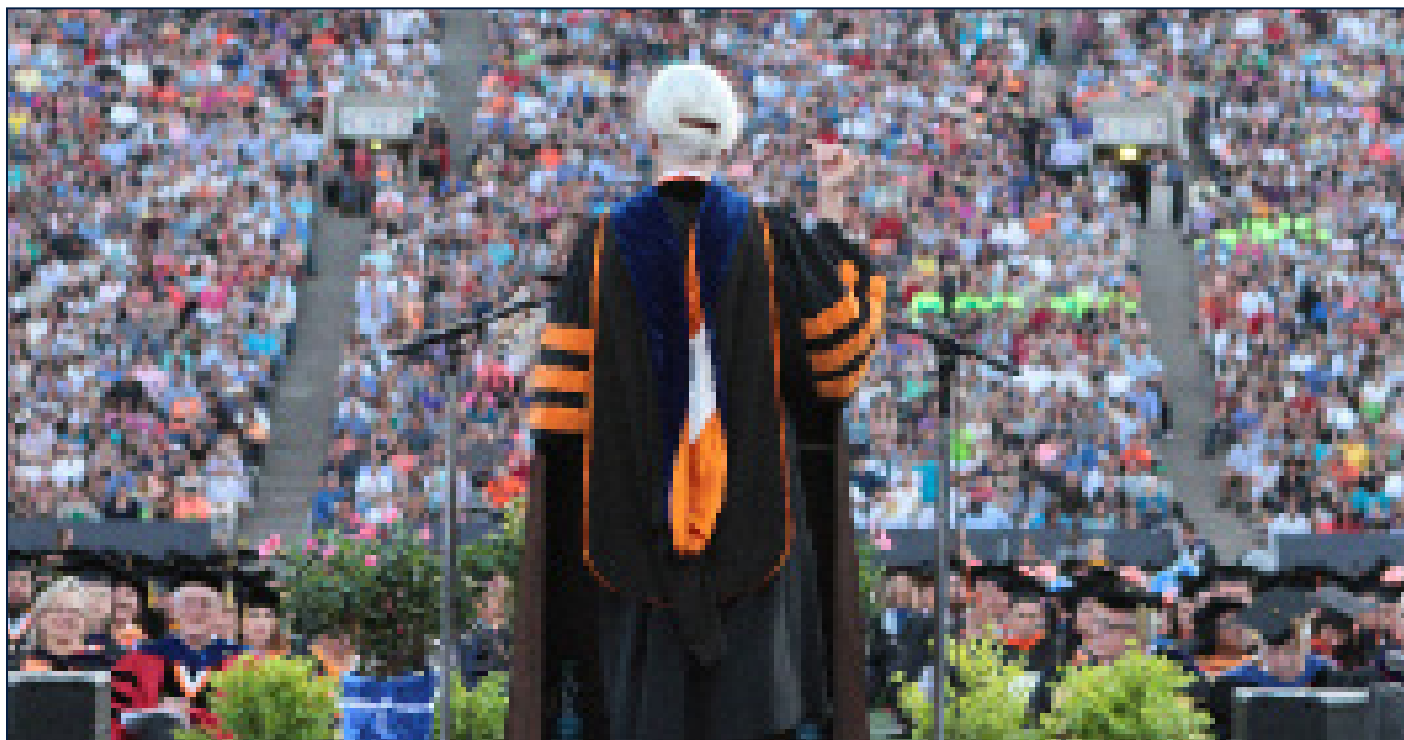

During Dr. Natalicio's tenure as president, UTEP's enrollment has grown from 15,000 to nearly 24,000 students, who reflect the demographics of the Paso del Norte region from which 90% of them come. More than 80% are Mexican American, and another 5% commute to the campus from Ciudad Juárez, Mexico. Since 1988, UTEP's annual budget has increased from \$65 million to nearly \$471 million. UTEP is designated as a research/doctoral university, recognized nationally for both the excellence and breadth of its academic and research programs. UTEP's annual research expenditures have grown from \$6 million to over \$90 million per year, and doctoral programs from one to 22 during this same period. To accommodate steady growth in enrollment, academic programs and research, the University has recently completed nearly \$300 million in new and renovated facilities expansion in science, engineering, health sciences, and other student quality-of-life related infrastructure.

DIRECTOR OF ATHLETICS - JIM SENTER

Jim Senter was named UTEP's Director of Athletics on Nov. 22, 2017.

His opening months on the job were a whirlwind, as he hired coaches for football (Dana Dimel), men's basketball (Rodney Terry) and rifle (Austin Litherland). With a firm belief that "Every Person Makes a Difference," Senter sought to engage Miner supporters far and wide. He organized a series of Town Hall meetings across El Paso, and established UTEP's first-ever Fan Council. He also unveiled a vision for the future of Sun Bowl Stadium, with sweeping changes scheduled to take place for the iconic venue over the next two years.

Senter served as Director of Intercollegiate Athletics at The Citadel, The Military College of South Carolina, from 2014-17. During that time he hired head coaches in football, men's basketball, baseball, soccer and volleyball.

Over 45 percent of The Citadel's athletic budget is self-generated revenue, the highest figure in the Southern Conference. Senter's fundraising efforts resulted in significant improvements being made to the football, basketball and baseball facilities. He grew scholarship endowment by nearly \$6 million in cash and pledges over three years. His total fundraising numbers set school records.

Senter grew football attendance by more than 3,000 spectators per game, and the Bulldogs led the Southern Conference in attendance. They posted a 10-win season in 2016 and a nine-victory campaign in 2015.

Academically, 174 Bulldog student-athletes garnered placement on the Southern Conference Honor Roll in 2017. The year prior, The Citadel produced two CoSIDA (College Sports Information Directors of America) Academic All-Americans.

Senter went to The Citadel after spending seven years (2006-13) at the University of Colorado, where he worked his way up to Senior Associate Athletic Director for External Operations. Senter was the sport supervisor for the Colorado football, skiing, men's and women's golf programs. He also had supervision over the Chief Marketing Officer and numerous other areas including facilities, sports medicine, sports performance, game and event management and equipment services.

He began his tenure at Colorado as Associate AD for Development. In that role, his responsibilities included all fundraising efforts, including the annual fund (student-athlete scholarships), major gifts and coordinating all donation-related activities and staff. He was later elevated to Associate Athletic Director.

Before Colorado, Senter served as Associate Athletic Director for Development/Senior Associate AD for External Sales at San Diego State for 18 months. Aligned closely with the University foundation, he was responsible for overseeing the athletic department's development efforts, including major gifts.

He spent 2003-05 as Director of Athletics at Idaho State University, a 16-sport Division I-AA program. He engineered a 19 percent increase in football attendance and a \$600,000 leap in advertising, marketing and corporate sales.

Senter began his college athletic career at the University of Idaho. After working as assistant head football coach and recruiting coordinator, he branched out into the administrative side. He served as Assistant and Associate Athletic Director of Development from 1998-2003 in a chief fundraising capacity. He was responsible for the university's Capital Campaign for Athletics, helping raise money for a \$13 million athletic facility expansion. He also ran the annual fund for Vandal athletics, overseeing the work of 48 national directors and planning the fiscal budget.

During his coaching days, Senter was in charge of the defensive line, linebackers and secondary. He was a part of Idaho's run to a 52-21 record over seven seasons and six NCAA playoff appearances.

Senter began his coaching career at Coffeyville Community College in Kansas, where he was a student assistant in 1981 and 1982. He later held that role at his alma mater, the University of Tulsa, from 1983-85 before moving on to Idaho.

Senter earned his bachelor's degree in physical education from Tulsa in 1985, and added a master's degree in recreation from Idaho in 1992 while serving on the football coaching staff.

He was born in Doylestown, Pa., and graduated from Jay (Okla.) High School where he was a football letter winner. He is married to the former Susan Beck and the couple has four children -- Shawna, Derick, Matthew and Samantha.

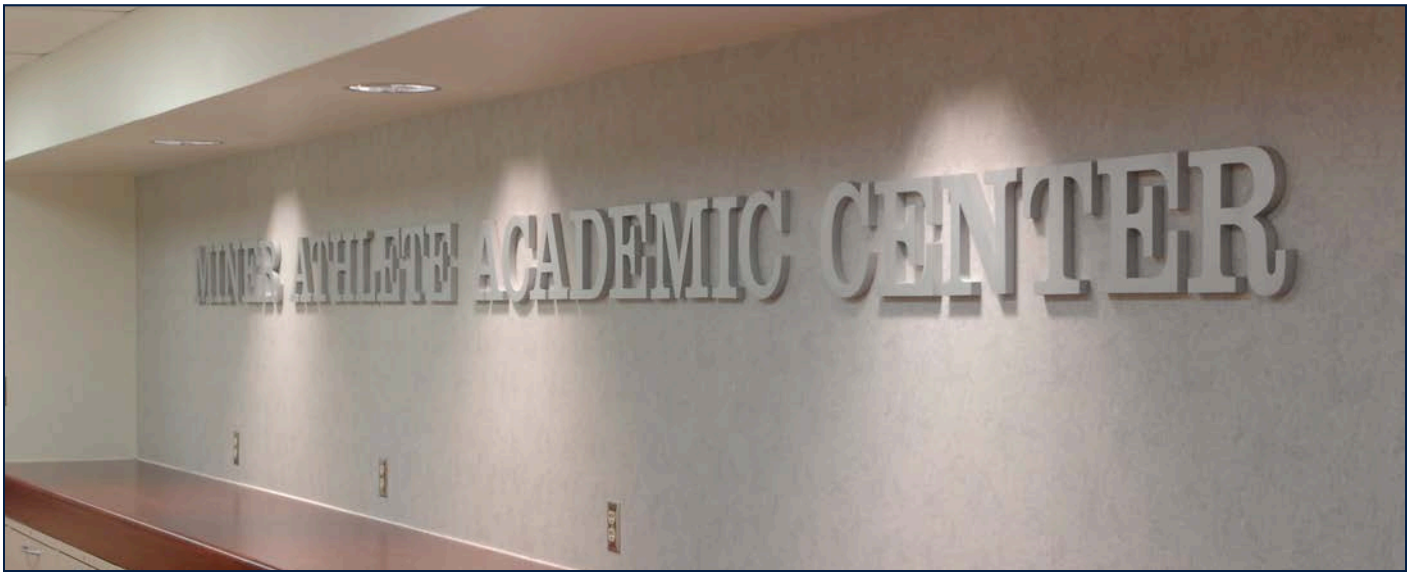

The home of the 1966 NCAA Basketball Champions, Memorial Gym continues to house the UTEP volleyball team since the program's inception in 1974. With capacity at 5,000, Memorial Gym is consistently at the top of the Conference USA standings in attendance making it one of the best venues in the league.

Memorial Gym contains two classrooms, a kickboxing, judo, and karate dojo (mat room), an auxiliary gym (the size of two full volleyball courts) and the main gym floor that is the size of four volleyball courts. In addition, Memorial Gym houses six full-size racquetball courts, the Exercise Physiology Lab, and the equipment room for the Kinesiology and Physical Education Activity Classes.

MINER ATHLETIC ACADEMIC CENTER

The Miner Athlete Academic Center (MAAC) was created to provide academic support services to all UTEP student-athletes and is conveniently located in the center of campus. The MAAC is dedicated to promoting the individual and educational goals of each UTEP student-athlete and ensuring compliance with UTEP, Conference USA and NCAA academic eligibility standards. Recognizing that one of student-athletes' greatest challenges is maintaining the balance between academics and athletics, each sport is assigned an athletic academic advisor whose primary responsibilities are to serve as an advisor and mentor for student-athletes; to assist with educational goal setting, degree plans, and course selection; to track academic progress and to calculate and certify NCAA academic eligibility. The MAAC offers a Three-Part Academic Support Program designed to assist student-athletes in developing time management and study skills. The program includes mentoring, one-on-one tutoring, and large areas devoted to focused study time.

In April 2007, UTEP finished a complete renovation to expand the MAAC facility from 2,000 to 6,900 square feet. The new facility includes a computer lab with 50 computers and four laser printers, nine rooms for individual tutoring appointments, a large quiet area for study hall and classrooms for group tutoring sessions, individual team study blocks, and academic and life skills workshops.

The MAAC is open to all student-athletes Monday through Thursday, 7:30 a.m.-9 p.m.; Friday, 7:30 a.m.-5 p.m.; and Sunday, 2-7 p.m.

The University of Texas at El Paso Athletic Training Department is committed to delivering the highest quality health care to all of its student-athletes. The certified athletic training staff serves as care givers for student athletes as well as clinical educators, supervisors, and mentors for athletic training students pursuing state licensure in athletic training. The staff maintains current knowledge and skill through participation in regular in-services and attendance at educational conferences annually.

The primary goal of the athletic training staff at The University of Texas at El Paso is to protect and return the injured student athlete to sport participation as quickly and safely as possible. The athletic trainer possesses knowledge in injury prevention, injury recognition, evaluation, and assessment; immediate care; and the treatment, rehabilitation, and reconditioning of athletic injuries. Our main objective is to first help prevent athletic injuries from occurring. Recognizing that some injuries are inevitable, our staff is available to render first aid, provide follow-up treatment and rehabilitation, and counsel student-athletes and their parents on available treatment options. The University of Texas at El Paso strives to deliver current, scientifically sound care to each and every student-athlete regardless of his or her sport or personal team standing.

The staff of certified athletic trainers, graduate assistant athletic trainers, and student athletic trainers provide medical coverage for the 16 intercollegiate athletic programs at UTEP.

The department of Intercollegiate Athletics at UTEP has five Certified Athletic Trainers, five Graduate Assistant Athletic Trainers, and approximately 15 Student Athletic Trainers that comprise the athletic training staff as well as numerous physicians.

Upon completion of their course work at UTEP, they will receive a bachelor degree and be eligible to take the Texas State Licensure exam. During their education at UTEP the student athletic trainer will attain competencies through a specialized hands-on, practical experience.

The student athletic trainer works directly with the certified and graduate assistant athletic trainers and team physicians in the areas of injury prevention, treatment, and rehabilitation. In addition to the athletic training room and field exposure student athletic trainers have the opportunity to observe surgical procedures performed on the athletes. This hands-on, practical experience not only complements the educational experience but also provides excellent field based learning opportunities for each student.

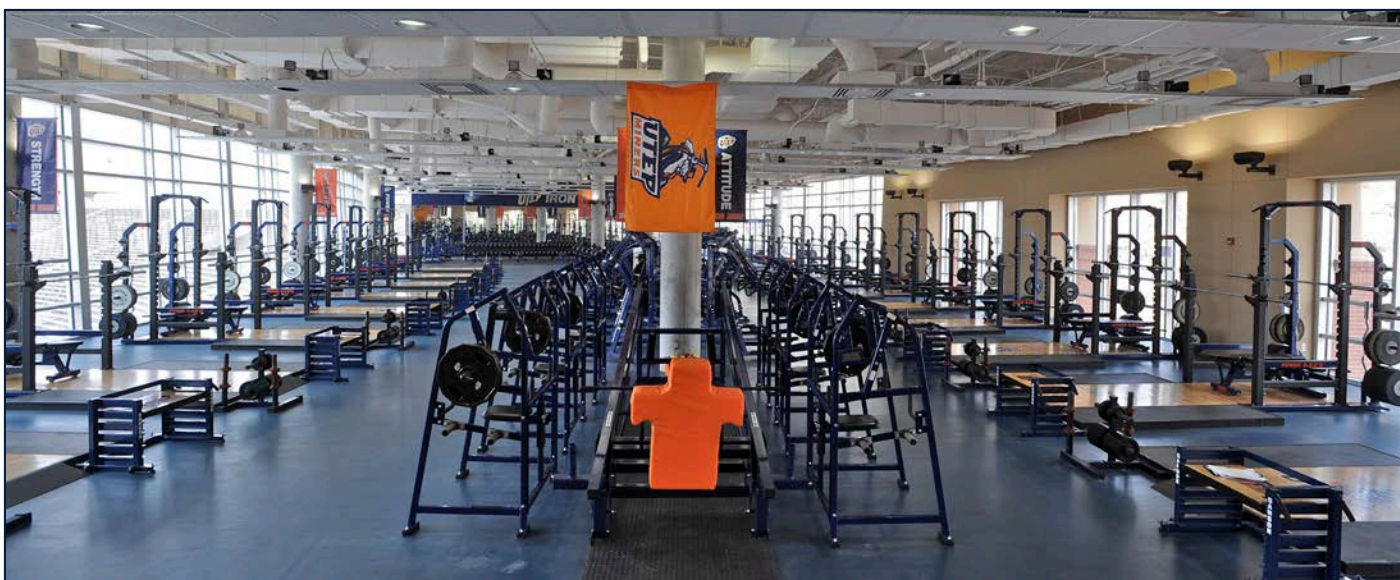

ATHLETIC WEIGHT ROOM

The UTEP Speed, Strength, and Conditioning program has taken on a whole new look since the opening of the Vandenburg Strength and Conditioning Center in 2002. This glass-walled structure is located atop the Larry K. Durham Center and the view is incredible, overlooking the Sun Bowl to the east, and the Franklin Mountains to the west.

Student-athletes have access to over 10,000 square feet of training space. The weight room contains a full range of state-of-the-art equipment such as Power Lift multi-racks, Hammer Strength plate-loaded machines, and a variety of other conditioning apparatus that make the facility a premier setting for intense training. Because of its size and amenities UTEP's strength and conditioning center rivals any in Division I athletics.
